# EGYPT THE HOSTING COUNTRY

## EGYPT'S WELL-OFF ADMINISTRATIVE BUILDINGS AND WORKSPACE SECTOR AT A GLANCE

Egypt is located in the center of the Middle East, and is considered as the trading hub between the Middle East, Africa and the rest of the world. Geography, population, history, military strength, and diplomatic expertise give Egypt extensive political and economic influence in the Middle East. Cairo has been always the crossroad of Arab-African and international commerce and culture.

Due to the country's attractive location, Egypt is in the process of expanding its workspace business sector. In order to meet the growing demands of both local and international investors who wish to take advantage of the Egypt's adequate facilities and infrastructure being developed in various locations around the country.

The Egyptian government's ambitious construction master plan will speed up a US\$ 55 billion commercial, technological, industrial and residential construction program designed to incredibly modernize the country's residential, industrial and commercial portfolio.

Construction boom in Egypt is projected to stay on a growth path as the country continues to set mega construction plans; which will unquestionably require the most advanced workspace designs and technologies to reflect the sought after modernized look of the country.

One of Egypt's most appealing large-scale projects creating grand opportunities for the world's international brands in the field of Administrative buildings designs and facilities , workspace designs and office solutions is the "NEW CAPITAL" that planned to have a dedicated business and financial district as well as about 2,000 educational institutions, a technology and innovation Park, 663 hospitals and clinics, 40,000 hotel rooms, a major theme park, an electric railway link with Cairo, and a new international airport.

# WORKSPACE EXPO

## A VAST PROMOTION CAMPAIGN

The enormous campaign to promote WORKSPACE EXPO cuts through current Workspace market challenges. The theme of this campaign is to turn the expo into "The ultimate sourcing exhibition for workspace projects and design solutions"; in other words, the primary goal is to make this exhibition the ultimate meeting place for on-site purchasing & contracting decisions where workspace projects, solutions and products are available under one roof for serious buyers.

A dedicated international and regional marketing campaign using the key industry local & international publications, outdoor signage, targeted visitor mail outs, newsletters, and website

### Media Campaigns

With an extensive experience in promoting a wide range of events in Egypt and looking after the media, we are planning to maximize event coverage for WORKSPACE EXPO through extensive print & online media campaigns covering listings in both print and online directories, print advertising, online advertising, local press conferences and both print and online press releases.

### Targeted Invitations

100.000 targeted invitations will be sent out to top-notch targeted visitors of the design, projects & office owners' community prior to the event, ensuring they 'save the dates' for WORKSPACE EXPO and have adequate time to plan their visit in advance and arrange appointments for important discussions.

### Online Presence

WORKSPACE EGYPT will be given benefit through an online presence with promotions through the official website, digital channels, online communities, email shots and digital advertisements to ensure that audiences have every opportunity to attend the event.

### Radio Advertising

Strategic spots at select local stations will serve as an extra reminder for visitor audiences to get involved with The Design Show as an unpatrolled event.

### Mobile Marketing

Mobile marketing promotions aimed at industrial visitors will spread the word on WORKSPACE EXPO through massive SMS campaign keeping audiences up-to-date and fully aware of why WORKSPACE EGYPT is the preferred meeting point for the targeted sectors.

### Social Media

From daily show updates to sponsored posts, event news via social media outlets will reach out to target visitors across all essential channels, reminding them of all that is new and featured at the event this year.

### Press Releases

Ensuring that key journalists are kept fully informed with this year's content, features and attractions at WORKSPACE EGYPT and making the news through a locally held press conference and schedule of press releases to keep the event in the mind of audiences and increase the show's visibility and awareness through announcements and updates.

### Outdoor Promotion

We will also ensure that WORKSPACE EXPO brand receives maximum exposure through outdoor campaigns including billboard displays in selected locations to ensure that visitors get every incentive to attend the event.

SPECIAL  
FEATURES

## STAGE TALKS

**WORKSPACE EXPO** will feature professional series of in-person dialogues for the performing interiors, design and office technology communities. The objectives of these live stage talks are to inspire discussion of the most important issues affecting the industries initiating and deepening relationships between design professionals and technology patrons.

## PANEL DISCUSSIONS

**WORKSPACE EXPO** will comprise Panel Discussions aiming to generate spontaneous interaction among participants, providing attendees with an update on the field challenges, whilst presenting the latest knowledge, innovations, trends and tendencies within the field of workspace design, furnishing & solutions for administrative, educational, hospitality, and all scales of workspace projects.

The panel discussion will create an integrative atmosphere between design developers, planners, interior, furniture & office technology providers and byers on Q & A basis.
